

ATTACHMENT A (KATM, ALAG, ANIA)
PARK SPECIFIC CONDITIONS

2002

**KATMAI NATIONAL PARK & PRESERVE
ALAGNAK WILD RIVER
ANIAKCHAK NATIONAL MONUMENT & PRESERVE**

THESE CONDITIONS ARE APPLICABLE TO THOSE COMMERCIAL
ACTIVITIES AND AREAS AUTHORIZED IN YOUR INCIDENTAL
BUSINESS PERMIT

1. *Permittee shall ensure that each of its employees receives training in and reviews a copy of this permit including all conditions and stipulations including the attached compendium.*
2. *Permittee shall provide written certification to the NPS (upon request) that each employee received training in and reviewed a copy of this permit including all conditions and stipulations including the attached compendium.*
3. *Permittee and its employees shall comply with the attached compendium which is incorporated as a part of this permit.*
4. Excluding Brooks Camp Developed Area, any commercial trip will be limited to a group size of 15 persons including permittee's employees.
5. Use of Public-Use Cabins in support of commercial activities is prohibited. Fure's cabin is the only designated Public Use Cabin in Katmai. Nonvianuk, Amalik and Swikshak structures in Katmai and Packer Cabin in Aniakchak are for park administrative use only.
6. Standing dead wood, leaning dead wood or any wood associated with historic structures or historic features may not be collected. The use of chainsaws is prohibited within Katmai National Park, Aniakchak National Monument and the Alagnak Wild River.
7. All fuel caches must have prior written approval from the Superintendent. A written request must include the exact location of the proposed fuel cache including a map and GPS coordinates (if available) and the reason for the cache.
8. Landing, taking off or taxiing within 100 yards of visible bears, moose or caribou is not permitted.
9. *Persons may not be within 50 yards of a bear or any large mammal or within 100 yards of a bear or any large mammal with young. This regulation does not apply to persons engaged in*

a legal hunt, persons on a designated bear viewing structure, or if otherwise directed by NPS personnel.

10. Radio frequency 122.9 will be utilized to announce intentions for landing and takeoff.
11. All watercraft must comply with all U. S. Coast Guard (USCG) and State of Alaska regulations.
12. Watercraft must be legibly marked with the trade or service-marked logo or name of the permittee on the outside of the boat.
13. Cleaning and depositing fish parts on site at Big River is not permitted.
14. Permittees using the Moraine Creek area must record their daily use activities in a Logbook. The Logbook must be submitted to the NPS by November 15.
15. *The establishment of a campsite, camping or staging a campsite without clients physically in camp is limited to one day prior to arrival of clients and one day after departure of clients. The total length of time the site is occupied by anyone associated with the commercial operators is limited to seven (7) consecutive days.*

BROOKS CAMP

16. Immediately after arrival at Brooks Camp (Naknek Lake and Brooks Lake landing), permittee is required to ensure all clients proceed to the park's visitor center for check-in and orientation.
17. Aircraft must maintain an elevation of at least 1000 feet above ground level at all times except during take-off and landings.
18. All surface operations are limited to idle taxi maneuvers within 200 yards of Brooks Camp beach on Naknek Lake. Step taxi operations and the initiation of take-off activity within this zone are not permitted.
19. Power-on, negative pitch beaching operations of turbine powered craft are prohibited.
20. *Loading or unloading passengers or cargo from aircraft must be done only when engine or engines are completely shut down. "Hot loading" or "hot unloading" of passengers or cargo is prohibited.*
21. Aircraft or watercraft may not be left unattended when beached between the mouth of the Brooks River and the NPS flagpole. This area is an unloading and off-loading zone only.
22. Amphibious beaching operations are limited to Brooks Lake ramp.

23. All IBP holders who provide transportation services to Brooks Camp will notify all clients, upon booking *and* prior to departure, that:
- a. All users of Brooks Camp are required to pay the Brooks Camp user fee on the day of arrival by ONE of the following payment methods:
 - ◆ Cash, OR
 - ◆ Personal Check, OR
 - ◆ User Fee Voucher purchased IN ADVANCE through the National Reservation Service at 1-800-365-2267.
 - b. Valid advance reservations are required for the use of the campground.
24. The campground at Brooks Camp will not be used for, or in support of, commercial activities.

SUSPENSION, RESTRICTION and REVOCATION.

25. *This permit may be suspended, restricted or revoked when the permittee/owner or employee commits or receives any violation as defined below:*

- a) Convicted of, forfeited collateral for or received a suspended imposition of sentence for violating a state or federal law or regulation, including but not limited to those laws or regulations relating to natural resources and wildlife regardless of whether the violation occurred in a unit of the National Park System including violation of 18 U.S.C. 1001, providing false information to any agency or department of the United States;*
- b) Violation of a federal or state health or safety code or regulation when conducting activities authorized by the IBP;*
- c) Failure to comply with the provisions and conditions of the permit;*
- d) Failure to comply with a superintendent's order or any directive communicated to the permittee by the superintendent when conducting activities authorized by the IBP.*

26. *Any employee of the permittee who commits or has committed within the past five (5) years, violations as listed above in Stipulation #25 may be required to be excluded by the permittee from working in any capacity relevant to the activities authorized by this permit.*

REPORTS

27. Permittee will provide the following annual reports to the Concessions Management Office at Katmai/Lake Clark National Park & Preserves, 2430 University Drive, Suite 311, Anchorage, AK 99518 by November 15, 2002. These reports must be postmarked by November 15, 2002:

- a. Gross Receipts Report
- b. Activity Summary Report
- c. Moraine Creek Logbook

28. If Permittee provides big game commercial services transportation, the Big Game Commercial Services Board Transporter Activity Report is due by February 1, 2003.

FEES

29. The monitoring fee of \$4.00 per person/per day is due and payable with the Activity Summary Report by November 15, 2002. Payment shall accompany the report.
